THE GRACE FOR FAVOR

WHAT IS FAVOR?

According to the dictionary Favor is defined as an approval of some sort, the support, or a liking for someone or for something. This is when you use the word favor as a noun. On the other hand, it can also be used as a verb. When used as a verb, it means to feel or show approval or show preference for something and to give someone something they want. But favor can also mean an act of kindness, an act of kindness beyond what is due or typically usual? But I define favor a little different.

Scripturally, favor is a force field that sets a man or woman, a kingdom entrepreneur apart. There are certain things a person can do to build this force field around their life and business. In Genesis 37:3, the Bible says, "Israel loved Joseph more than all his children." Why? Because he was the son of his old age. In another scripture, the Bible says, "Noah found favor in the sight of God." This means that favor is something you can actively seek for.

TEN FACTS ABOUT FAVOR

1. Daniel 1: 9. The first thing you must know about this grace called favor is that it is a gift from God.
2. Favour has a twin brother called Wisdom. You need both together, because when Favour comes you need Wisdom to know how to use it to advance yourself and God's purposes for your life. God gave Joseph favour and wisdom before Pharaoh.
3. When favor is given, it comes as a spiritual blessing. It comes as a spiritual blessing which needs to be converted to an earthly reality. This in turn gives a man or woman access to every spiritual blessing in heavenly places. We can therefore say that favor is spiritual gift.
4. Genesis 6:8 says, "Noah found favor in the eyes of the Lord." This means if favour can be found, it can be lost. That's how Vasti was deposed and her place as a queen given to Esther.
5. Favour is most often associated with beauty. When a person possesses physical beauty, they attract favourable things faster than a regular person.
6. Favor can be measured. The amount of favour you walk in can be indexed. In Luke 1:28, the Bible says, "Rejoice highly favored one, the Lord is with you, blessed are you amongst women..." the Angel's choice of word, 'Highly favoured one' shows there is a high measure of favour a person can enjoy.
7. There is growing favor in the spirit. It's another measurement. In 1Samuel 2:26, the Bible says, "Now the young man Samuel continued to grow both in stature and in favor with the Lord and also with man." That is growing favor.
8. Favour is always found in the exact same location in the spirit. That location is called, 'in the eyes of the Lord.'
9. Faithfulness is paired with truth. Since grace and truth came through Jesus Christ. Favour must be paired with the truth. In John 1:17, the Bible says, "the law came by Moses, but grace and truth came through Jesus Christ." This means that every grace you access in the spirit is paired with the direct truth.
10. Favor is also a display of the extent to which God has had mercy on a kingdom entrepreneur. The Bible says in Hebrews 4:16, "Let us come boldly to the throne of grace, to obtain mercy..." Here, the Bible didn't say 'to find' rather, it says, 'to obtain' grace. This means that the grace for favour

is found in the same place, 'in the eyes of God'. It is always found within the context of God's sight.

There is something that has to do with the eyes, both for God and for humans as it pertains favor. When a person lays eyes on you, they can know instantly if they want to favor you or not. That means, if you are looking for grace or favor, the first thing you should be worried about should be getting the Lord's eyes fixated on you. When you are beginning to draw in favor, it is with God and with men. When a man sights you, they would know if they want to favor you. The next thing should be what we know about the eyes of the Lord? If we know how to get the Lord's attention, then the grace of favor can rest on our lives.

HOW TO GET THE LORD'S ATTENTION

1. Whoever walks in righteousness will catch the attention of God. It goes beyond confessing scriptures. You must follow-up with your words with actions.
2. We have the dimension of the fear of God and the dimension of the loving kindness of God. 2Corinthians 16:9 says, "The eyes of the Lord run to and fro throughout the whole earth to show himself strong on behalf of those whose heart is loyal unto him." This also brings us to the loyalty dimension. Favor is in fact a reward for loyalty to God as well. It is a display of God's strength.
3. The easiest way to get God's eyes to be fixated on you is to have the fear of God. This one is a highway to arrive at the destination of favour. Psalm 33:18 says, "Behold the eye of the Lord is on those who fear him..." His eyes are usually fixated on those who fear him.

DIMENSIONS OF FAVOUR

1. Shield dimension. This is when favor comes upon you, and it manifest as a shield. Psalm 5:12.
2. Reward dimension.
3. Establishment dimension
4. Replacement dimension
5. Rescue Dimension Acts 7:9-10.
6. Compassionate dimension.
7. Influence dimension. Esther 2:15.
8. Encompassing dimension.

In conclusion, in Luke 2:52 the Bible says, "The child Jesus grew in wisdom and in stature and in favor with God and with man." Earlier, I said favor has a twin brother called wisdom. You can have favour with God and not with man. Also, you can have favor with man and not with God. If you have favor and you don't have wisdom to handle it, you can make a mess of that favor. God bless you.

EIC BUSINESS WEBINAR

Dear Kingdom Entrepreneur, you are saved by grace, but you will only succeed by works because the blessing is in the doing, not just in believing hence, James 2:17 says, "Thus also faith by itself, if it does not have works, is dead."

There are many nations who don't call or believe in the name of Jesus but have tremendous wealth. Why? Because of works. Therefore, we kingdom minded people must rise above mediocrity by taking advantage of available and necessary skills or knowledge that will help us grow our businesses.

At Entrepreneurs in Christ the bi-weekly business webinar is our way of showing our works by our faith and balancing grace and truth. Grace will be nullified if we neglect the truth. And the truth is, Knowledge is Power.

At the webinar, industry experts and professionals share with us their wealth of knowledge for business growth.

On February 28th an Industry professional in the tech world will address Cyber Security with focus on how to secure our businesses from hacks. That is, website, financial fraud, social media accounts and any other digital platform.

In the month of March, our focus will be on Sales and Marketing with focus on Effective Products/Services Marketing and Generating Sales Through Effective Communication. There will hold on March 11th & 25th respectively.

Now you know, do take advantage of this opportunity. James 4:17 say, "Therefore, to him who knows to do good and does not do it, to him it is sin."
