## THE GRACE FOR DIVINE HEALTH by Damola Adhlakun

### INTRODUCTION

According to Ephesians 2:8, there are three systems God expects in a man: Faith, Grace, and Glory. Faith is the first thing that was given, and therefore, we are meant to grow from one level of faith to a higher level. By grace, we have been saved, which means a believer should grow from one level of grace to another. Lastly, we are to grow from one level of glory to another. In this system, faith is tied with grace, and the higher the level of grace, the more realm of glory one can access.

Divine health is the byproduct of grace because it is by grace that we have been healed through faith. An anointing exists for healing. Therefore, divine health is different from divine healing. Divine health has to do with living and leading a normal life despite any health issues one may have been born with. Divine health can lead to divine healing, but divine healing cannot lead to divine health.

There are three processes in salvation: Spirit, Soul, and Body. When we confess Christ, our spirit is the first to be saved. There is also something reserved in our soul called deliverance, and salvation on the third level entitles one to bodily healing. Therefore, just as Christ saved our soul and spirit, He can also heal our body. As a Kingdom Entrepreneur, you have been called to live your life from the standpoint of the spirit.

### DEFINITIONS OF DIVINE HEALTH

Divine health is the grace God gives a man/woman, a Kingdom Entrepreneur, to prosper in the areas where health challenges would otherwise sentence them to poverty or captivity.

Divine Health is also God's grace in an area being made sufficient for you.

Furthermore, the goal of divine health is to keep you in this body as long as God wants you in this world. Note that grace and truth go together, so every grace has a balancing aspect of truth. The aspect of truth that we have neglected is visiting a doctor when you have an ailment in your body, and that doesn't stop you from having divine health.

The primary tool for switching from truth to grace is called faith. Also, the proof that you are enjoying divine health is that your soul is prospering, according to 3 John 1:2. God wants us to prosper in our health. This grace for divine health is a preprogrammed grace, which means that if you meet a particular standard, it is programmed to be your default mood. God doesn't want your body corrupted, and there are ways corruption is permitted to enter your body. The four main entry diseases that can enter the body, according to CDC (Center for Disease Control and Prevention), are:

1. Skin
2. Gut, which includes your gastrointestinal tract, lower rectum, anus, etc.
3. Respiratory Systems, which includes mouth, nose, throat, etc.
4. Blood.

When we talk about divine health, it has to do with life exploding from inside your mortal body to take care of anything that would have sentenced you to captivity in health. The life can only be given through the Holy Spirit, and you can be quickened through this Spirit who dwells in you. It is based on the resurrection power of Jesus, the Spirit that raised Jesus from the dead.

There are two things the Holy Spirit is looking for, they are:

**Knowledge:** It takes knowledge to activate divine health. According to Proverbs 4:20. You need to attend to the word of God, incline your ears, and hide it in your heart. It has the tendency of translating it to divine health and to protect your first layer called flesh.

**Faith:** This is how you explore divine health. Faith can take a while to manifest result because it will be tested. Faith has two components; The aspect where you take for immediate use and sowing back in your Spirit and watered with faith. Speaking forth what you want to see is very necessary here. It takes faith to operate in divine health.

Ways you can practice Faith according to Proverbs 3:7-8 "Be not wise in thine own eyes: fear the LORD and depart from evil. 3:8 It shall be health to thy navel, and marrow to thy bones."

Wisdom in our own eyes is to do things how we know best

**1. Fear of the Lord:** This includes, fasting, consecration, prayer, obedience to the Holy Spirit, paying tithe, offering, and going to Church. This doesn't equate to departing from evil. If you don't fear God, it will be an access point for the devil to corrupt you. The fear of God is the source point of divine health to the navel. It becomes like a placenta in the spirit that you can source from. The navel was the point where the umbilical cord of a baby or a child was disconnected, so when it was cut off and it dried, it became your belly button, also known as your navel. This is the source point that demons that cause sickness and diseases enter a kingdom entrepreneur. Because the umbilical cord is closed in the physical but opened in the spirit, it can be attached to the fear of the Lord hence, when you don't fear God, it becomes the access point for demons to enter the body and cause sickness. Therefore, in the spirit, that is how divine health is supplied to a kingdom entrepreneur, because the Bible says in Proverbs 3:8 It shall be health to thy navel, and marrow to thy bones." You will have divine health in your navel.

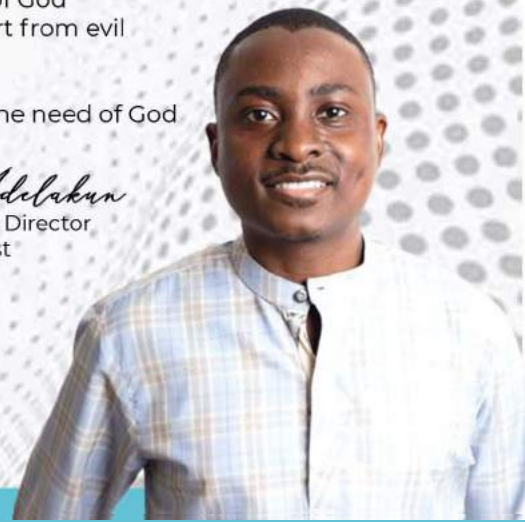

**2. Departing from evil:** Bone marrow is what creates red blood cells, and white blood cells, plasma etc. Marrow to your bone is how red blood cells that carry oxygen around your body are created. This also, includes not doing anything contrary to the will of God (sin). If you depart from evil, you will have marrow in your bone. Bone marrow is one of the most important parts of your body. Marrow to your bone is a function of departing from evil. These instructions activate the grace for divine health, but it takes your knowledge to practice it by faith.

It is necessary to fear God and depart from evil if you need divine health.

How to Enter into the Grace for Divine Health

1. Be born again
2. Practice the fear of God
3. Consciously depart from evil
4. Enter a covenant
5. Fasting
6. Tie your need to the need of God

We are a marketplace ministry hence most of our activities are kingdom directed because EIC was born in the place of prayer.

**OUR MANDATE** is to help people understand the importance of being spiritually grounded before you go into a marketplace. The method we use at EIC is to equip every member to stand strong and excel in the marketplace. Without being spiritually grounded, you will end up doing what is popular instead of what is right.

## GRACE FOR DIVINE HEALTH by Mr. Yemi Akins

Grace is the help that comes from God. It is a distinguishing factor between believers and unbelievers. When we possess the dimensions of grace in Christ and the Church is filled with the glory of God, unbelievers are drawn to Him. They see the multiplication of grace in our lives and are compelled to continue attending Church and experiencing God.

If you desire to fulfill God's will, you must walk in the grace of God, particularly the grace for divine health. The Bible has references to the grace for divine health, such as in Deuteronomy 31:14 and 34:1, where Moses experienced divine health even in his old age. Similarly, Caleb in Joshua 14:6-12 remained strong in his old age. This grace for divine health is available to everyone, regardless of age.

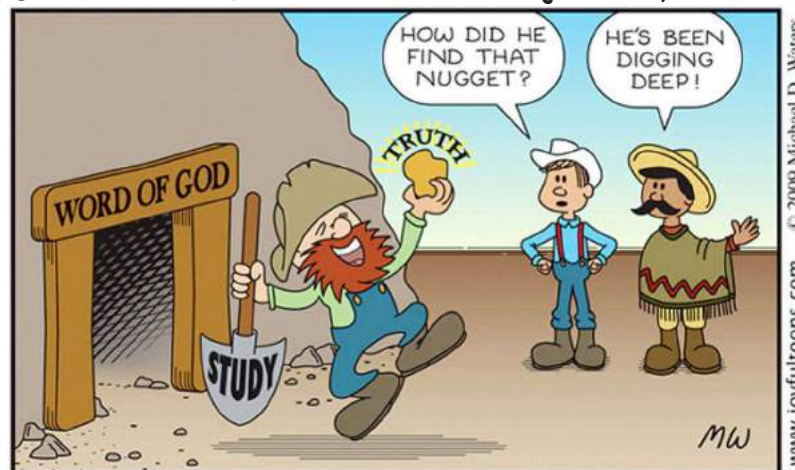

The Israelites also experienced divine health in the wilderness; none of them were feeble. Divine health is essential not just to finish well, but to finish strong. The grace insurance covers us, enabling us to remain at the center of God's grace. However, the grace of God can be lifted from our lives if we are outside His will, rebellious, disobedient to the guidance of the Holy Spirit, or if we seek to please people instead of God. It is crucial to avoid these things to remain in God's grace. If you are experiencing delays, it is essential to examine whether you are going against God's will. To enter divine health, we must have faith, as everything in the kingdom is accessible through faith (Romans 5:2). Additionally, we must read and meditate on God's word daily, as it infuses life into our cells and bone marrow (Romans 8:10-11).

# THE GRACE FOR DIVINE HEALTH

Divine health is a state of complete physical, mental, and emotional wellbeing that is sustained by the power of God. It is a gift from God that is available to all believers who have faith in Jesus Christ. This gift is made possible through the grace of God.

The Bible is full of examples of God's grace for healing and divine health. In Exodus 15:26, God declares that if we obey His commands and keep His statutes, He will not allow the diseases that afflict the Egyptians to come upon us. In Psalm 103:3, we are told that God forgives our sins and heals our diseases. In Isaiah 53:5, it is prophesied that Jesus would be wounded for our transgressions and that by His stripes we would be healed.

In the New Testament, we see that Jesus healed the sick wherever He went, and He gave His disciples the authority to heal in His name. In Mark 16:17-18, Jesus said, "And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues; they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover."

Divine health is not just the absence of disease; it is the wholeness that comes from being in right relationship with God. In Deuteronomy 7:15, God promises that if we obey His commandments, He will take away all sickness from us. In Psalm 34:19, we are told that "many are the afflictions of the righteous, but the Lord delivers him out of them all."

In the New Testament, we see that Jesus not only healed people physically but also restored them emotionally and spiritually. In Luke 4:18-19, Jesus reads from Isaiah 61:1-2 and declares that He has come to "preach the gospel to the poor, to heal the brokenhearted, to proclaim liberty to the captives and recovery of sight to the blind, to set at liberty those who are oppressed; to proclaim the acceptable year of the Lord."

God desires for us to have abundant life and health, and He has made provision for us through His grace. In Proverbs 4:20-22, we are instructed to give attention to God's words, for they are life and health to our bodies. In John 10:10, Jesus declares that He came so that we may have life and have it more abundantly.

In the New Testament, we see that God's grace provides for our physical needs as well as our spiritual needs. In Philippians 4:19, Paul declares that God will supply all our needs according to His riches in glory by Christ Jesus. In 3 John 1:2, the apostle John writes, "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers."

In conclusion, the grace for divine health is a gift from God that is available to all believers who have faith in Jesus Christ. Through His sacrifice on the cross, Jesus has made provision for our physical, emotional, and spiritual wellbeing. As we trust in God's promises and obey His commands, we can experience the abundant life and health that He desires for us. May we all receive this grace and live in divine health.
